

## Public Health/Community Nutrition Practice Group

### **MISSION:**

Empowering members to be leaders in the practice of public health nutrition and community nutrition.

### **Vision:**

Optimizing the population's health through the application of public health nutrition and community nutrition principles and interventions.

- Goal 1:** Build and empower a diverse membership that supports our mission and vision.
- Goal 2:** Enhance members' knowledge and skills related to current and emerging public health nutrition and community nutrition issues through evidence-based solutions.
- Goal 3:** Support members' involvement in public policy to promote optimal outcomes in public health nutrition and community nutrition.
- Goal 4:** Identify and develop key collaborations and partnerships to promote the public's health and well-being.
- Goal 5:** Provide and support effective training to the public health nutrition and community nutrition workforce.
- Goal 6:** Promote evidence-based public health nutrition and community nutrition-related research and practices.

Mission and Vision Approved by The Academy of Board of Directors on May 16, 2013
