Public Health/Community Nutrition Practice Group

MISSION:
Empowering members to be leaders in the practice of public health nutrition and community nutrition.

Vision:
Optimizing the population’s health through the application of public health nutrition and community nutrition principles and interventions.

Goal 1: Build and empower a diverse membership that supports our mission and vision.

Goal 2: Enhance members’ knowledge and skills related to current and emerging public health nutrition and community nutrition issues through evidence-based solutions.

Goal 3: Support members’ involvement in public policy to promote optimal outcomes in public health nutrition and community nutrition.

Goal 4: Identify and develop key collaborations and partnerships to promote the public’s health and well-being.

Goal 5: Provide and support effective training to the public health nutrition and community nutrition workforce.

Goal 6: Promote evidence-based public health nutrition and community nutrition-related research and practices.

Mission and Vision Approved by The Academy of Board of Directors on May 16, 2013
